Form 990 (2018)

Form 990, Part III, Line 4a:

Hack Club - Hack Club is a global, nonprofit network of high school coding clubs where members learn to code through tinkering and building projects. Through this program, we work with and help guide student-led clubs and hackathons. Coding is a superpower that anyone can learn, but only one (1) in four (4) high schools in the United States give students that opportunity. Hack Club brings high quality coding education to every student, regardless of their ethnicity, socioeconomic status, or location. We focus on building all-inclusive families where students build things together through coding and "hacking" figuring out creative solutions to problems that we all face. Our activities under this program result in (1) Hack Clubs engaging groups that are underrepresented in computer science and attracting members who might not normally sign up for

computer science classes, and (2) building confidence, courage, and skills in students through integration with the broader hacking community
